

Cattin
Porcellane d'arte
Since 1983

Le porcellane Cattin sono il risultato di una ricca tradizione artistica, i cui segreti hanno meravigliato per secoli i cultori della bellezza.

Ogni nostra creazione è plasmata e decorata da mani sapienti in oro zecchino, platino e colori minerali apiombici e riceve dal fuoco il dono della semitrasparenza che tanti ha affascinato e che è il suo prezioso distintivo. Il marchio impresso a fuoco e le esclusive confezioni complete di certificato di origine che accompagnano le singole creazioni, ne assicurano l'autenticità e garantiscono che la fabbricazione artigianale della manifattura è stata sottoposta al controllo di conformità ai tradizionali canoni di qualità del made in Italy ed agli standard di sicurezza europei.

The Cattin porcelain collection is the result of a rich artistic tradition whose secrets marveled the cultivators of beauty for centuries. Moulded and decorated by master hands in pure gold, platinum and leadless mineral colours, each of our creations receives from fire the gift of semitransparency that has fascinated many and is its precious trademark. The stamp imprinted upon each item and their exclusive packaging with certificate of origin, assures its owner of its authenticity and guarantees that artisans creation has been supervised, assuring the conformity to the traditional formula of quality of made in Italy and european safety standard.
